

Journal Psychology and Health

**Journal of the Graduate Program in Psychology at the *Universidade Católica Dom Bosco*
(Brazil)**

Call for Papers:

“Dialogues: History, Psychology, Health”

Invited Editors:

Florencia Macchioli (UBA, Argentina - famacchioli@yahoo.com.ar)

Raquel Martins de Assis (UFMG, Brazil - rmassis.ufmg@gmail.com)

Description

The **Journal Psychology and Health** is an electronic journal published every six months that aims to disseminate and to promote scientific knowledge through the dialogue between Psychology and other disciplines of Health (e.g., Nursing, Medicine, Physiotherapy, Social Services, etc.), connecting their scientific debates. Its goal is to disseminate, for free, local and international contributions from research and theoretical considerations for the development of Psychology as a discipline and a professional practice of reference in the field of Health and Culture.

The **Journal Psychology and Health** is published by the Graduate Program in Psychology at the *Universidade Católica Dom Bosco* (PMPUCDB). It is currently indexed to the LATINDEX and PePSIC, and in the submission process to RedALyC.

The special issue "**Dialogue: History, Psychology, Health**" is a PMPUCDB partnership with Iberoamerican Network of Researchers in the History of Psychology (RIPeHP) and the Brazilian Society for the History of Psychology (SBHP). This number is open to original contributions of researchers whose research address historical discussions about the connections between Psychology and Health. Therefore, manuscripts related to the history of various fields of Psychology, such as health psychology, psychotherapy, psychoanalysis, mental health, hygienism, etc. are estimated. We also expect manuscripts stressing relations between Psychology and other areas - e.g., Medicine, Nursing, Social Work, Biology, Neuroscience, Special Education and related areas).

Collaborations that highlight disciplinary, social, cultural, political or economical aspects in the history of Psychology and psychological knowledge in the Health are expected. Contributions will be accepted in Spanish, English, and Portuguese.

Deadline: 30th June 2016

Theme: Dialogues: History, Psychology, Health

Submission: Prepare manuscripts according to the Publication Manual of the American Psychological Association, 6th ed. Manuscripts should be submitted by the Journal's website <http://www.gpec.ucdb.br/pssa/index.php/pssa>.
